- Mission, Vision, Values, statements in the final form and will be printed and hung in every classroom along with the office and several other locations in the building.
- Long-term goals - LA and Math - Each team sets goals and we will see where we are at during the March meeting.

New items: new members in the PTA, outside of the school looks great (landscape), teachers and student behaviors continue to improve, Guest drummer in the future, gem jars to promote positive acts of behavior, Magician, Gingerbread houses, website to help communication.

Focus:

- Celebrations
- Training = jobs and role of community council - schoollandtrust.org - You can see your role on the community council such as parent, chair, principal, superintendent, school employee, school board. Lots of verbiage but it is available for you information. This is created so that the protected \$ is going to the most academic need of the students.
- Netsmartz is an assembly that we host. They come to the school and talk about internet safety at school as well as in the home. Digital Citizenship - fulfills the necessary training. Report back in May.
- Visit web-site resources
- Update on plan
- Website resources
- Any data to report
- Our presentation to the board next Wednesday the 8th = Community Council Chair or rep to help me present.
- Questions or items?
